*Real Weddings*  
*Photo Submission Guidelines*

Would you like to see your wedding featured in Chicago Bride magazine or one of its special issues? Here's what to do:

- After your wedding, choose up to eight photos you would like us to show. In addition to a (preferable) full-length picture of the couple, pictures should try to show the uniqueness of your wedding, featuring special items like the cake, venue decor, floral arrangements, bridal party attire and anything else unique you would like to show. Remember that future Chicago brides will be viewing these to get ideas for their own weddings and want to see details!
- Once you've selected the pictures, have your photographer put **HIGH RESOLUTION** versions of these on a disc or a USB drive and send them to: Chicago Bride Magazine, 3500 W. Peterson Avenue, Suite #403, Chicago, IL 60659, Attn: Editor
- Along with your pictures, we will need to following information:
  - Bride's full maiden name
  - Groom's full name
  - Location of ceremony
  - Location of reception
  - Photographer name and/or company name
  - Caterer, Florist, Wedding Consultant or any other vendor you wish to credit
- Upon receipt and approval, our staff will review and choose the best four or five pictures that best fit with the style of our magazine.
